Tim Your Speech Made My Day!

"Tim, I saw you speak at the Focus4TheFuture event in Seattle, Washington a few weeks ago and I have to tell you, you were the best speaker there. You had the entire crowd laughing from the moment you took the stage until the time you left. And after it was over I realized that I had learned more about business in that single hour than I had from a dozen business books. Keep it up man! You are the best!"

“Whoever Said Business Doesn’t Have A Funny Side Just Didn’t Know Where To Look!”

Tim Knox was born into a southern family that was so poor even the white trash looked down on them. “We were the off-white trash,” Tim says without a single trace of childhood angst.

“There were times when we didn’t have food in the cupboard. Luckily my dad discovered that the Southern Baptist Church had a fried chicken social every Wednesday night and Sunday afternoon. You might say we were led to the Lord by Colonel Sanders.”

From humble beginnings, Tim went on to build a business empire that includes 2 technology companies, an entrepreneurial training firm, and a multimillion dollar Internet Marketing operation that is considered to be one of the top digital marketing companies on the World Wide Web.

Tim first became a student of business over twenty-five years ago and has since gone on to become a master of it.
